SERVICES

Literacy Programming

- Skills For Learning** – Skills for Learning is a program to help learners build confidence, advocate for themselves, and engage in learning. Some topics covered in the program are but not limited to: Time Management, Goal Planning, Personal Change, Communication Skills, Learning Strategies & more!
- Learner Support Services**- Learners may book an appointment with an onsite Literacy Mentor who can provide one on one support around the following: information on programs for upgrading or post-secondary, information on community resources & how to access and referrals to such programs, assistance with forms/applications, or access/support with basic technology.
- Reading, Writing & Document Use**- The goal of this program is to help adults identify, understand, interpret, create, communicate, and use printed materials. Developing reading and writing skills up to and including pre-GED level. Including learning material such as written sentences, paragraphs, graph charts/tables, arranging words/numbers/symbols on paper or a computer screen. Not intended as an English as a Second Language opportunity.
- Family Literacy Programming**- Family literacy programs provide adult learners with opportunities to increase their own literacy and foundational skills that also enhance daily literacy practices for all family members. Programs: Books for Babies, Reading with our Children, Literacy & Parenting Skills.

Child and Youth Programming

- Programs offered to support children and youths mental wellbeing; including grief and loss support, building emotional intelligence, managing strong emotions, self-help/ coping skills, self-awareness and confidence building, leadership skills, positive body imaging, as well as healthy relationship and communication skills.

FASD Supports

- FASD Navigator**- Provides information, referrals, advocacy, and support for all people waiting to access supports through the FASD programming at Grande Prairie Family Education Society.

- FASD Youth and Adult Supports**– Provides referrals, services, advocacy and supports for individuals with/suspected FASD, ages 13 and older.
- FASD Family Supports** – Provides home visitation, education, referrals, advocacy and supports to parents and/or caregivers of children suspected of or diagnosed with FASD ages 0-12.
- PCAP- Parent and Child Assistance program** – Provides home visitation, community supports, referrals and education for people in their child-bearing years to help them build healthy families and prevent future births of children who have been prenatally exposed to alcohol. This voluntary program can support individuals up to 3 years.
